English Qualifications

QUALIFICATIONS FOR HIGHER EDUCATION – KEY FACTS

Cambridge English Qualifications are based on research into effective teaching and learning. They motivate people of all ages and abilities to learn English and develop practical skills for the real world.

Each exam focuses on a level of the Common European Framework of Reference (CEFR)*.

Accept Cambridge English Qualifications as part of your institution's published English language requirements and reach a wider pool of potential applicants who have real-life communication skills.

B2 First

An upper-intermediate qualification which demonstrates that students have the practical English skills needed for foundation and pathway courses, pre-university programs and community college admissions.

C1 Advanced

A high-level, focused academic English exam which shows that students have the English language skills they need to succeed at undergraduate and graduate level.

C2 Proficiency

C2 Proficiency is our highest level qualification and proves that students have the English skills to study demanding subjects, including undergraduate and graduate programs.

WHY USE CAMBRIDGE ENGLISH QUALIFICATIONS

Be sure of a student's English language skills

Choose exams for your admissions requirements that are more than a snapshot of a student's level of English. Cambridge English Qualifications are in-depth exams, and preparing for them helps students to improve their English. They provide a reliable indicator of language ability, reducing the risk that students' English does not match expectations.

Rely on secure and trusted exams

Backed by over 100 years of research, our exams are trusted as secure English tests by governments worldwide. Our authorized exam centers follow a detailed code of practice. Test-day photographs are taken of all candidates. These can be viewed, along with candidate results, on our free online Results Verification Service at cambridgeenglish.org/verifiers.
