### Notes to Editors:

#### About CIE

University of Cambridge International Examinations (CIE) is the world's largest provider of international qualifications for 14-19 year olds. CIE offers the Cambridge International Curriculum for 5-19 year olds, professional qualifications for teachers and vocational qualifications for adult learners. CIE qualifications are taken in 150 countries and recognised by universities, educational providers and employers across the world.

CIE is part of the Cambridge Assessment Group, a not-for-profit organization and part of the University of Cambridge. CIE has a strong pedigree in development and research and offers unrivalled support to its network of registered centres.
