CAMBRIDGE INTERNATIONAL GENERAL CERTIFICATE OF SECONDARY EDUCATION (IGCSE)

CAMBRIDGE GENERAL CERTIFICATE OF EDUCATION (O/AS & A)

CAMBRIDGE GPR LEVEL 3 CERTIFICATE

FINAL EDITION DATED SEPTEMBER 2011

INSTRUCTIONS

1 About this timetable

1.2 This timetable contains:

- **Notes on the final timetable**
- A full list, in date order, of all examinations
- **Key to the final timetable. This is a full list, in alphabetical order, of all examinations.**

1.3 If any paper is not mentioned in the timetable, Centres must contact Cambridge for the examination dates.

2 Planning the session and the KEY TIME

Examinations must be taken in the morning or afternoon timetable session as shown on the FINAL timetable.

All candidates entered for examinations in a session must be under Full Centre Supervision at the **KEY TIME**. If Centres timetable examinations after the **KEY TIME** candidates must be kept under Full Centre Supervision from the **KEY TIME** until the candidates start the examination; or if the candidates have already completed the examination, they must be kept under Full Centre Supervision until the **KEY TIME**.

There is one **KEY TIME** for the morning session and a second **KEY TIME** for the afternoon session.

Your **KEY TIMES** can be found on the Key Times webpage at www.cie.org.uk/keytime and are expressed as both local time and GMT/UTC.

If your country observes Daylight Saving Time (DST) then the dates when this applies will be shown on the Key Times webpage. Different local **KEY TIMES** will be given for when DST is being observed and when DST is **not** being observed. If your country does not observe DST, then this will be stated on the Key Times webpage.

What does "under Full Centre Supervision" mean?

Candidates can be in the examination room, doing their examination, under the supervision of invigilators.

Or, if the **KEY TIME** is before the start of the examination, candidates must be supervised by teachers or invigilators from the **KEY TIME** until the start of the examination. Candidates can have access to their books and notes, and can talk to each other. However, candidates must not have any access to telephones, mobile phones, the Internet, or any means of external communication; and candidates must not be allowed any communication by any means whatsoever with anyone not under Full Centre Supervision.

Or, if candidates have finished their examination, they may be permitted to leave the examination room provided that they are supervised by invigilators continuously from the time they leave until the **KEY TIME**. Once outside the exam room, candidates can have access to their books and notes, and can talk to each other (provided that they do not cause any disturbance to other candidates who are still doing an examination). However, candidates must not have any access to telephones, mobile phones, the internet, or any means of external communication; and candidates must not be allowed any communication by any means whatsoever with anyone not under Full Centre Supervision.

Failure by a centre to comply with the Regulations regarding the **KEY TIME** will be considered by Cambridge as Maladministration and may result in Cambridge being unable to accept candidates' work.

Centres must report to Cambridge any incidents or irregularities amongst candidates under Full Centre Supervision, including any access to unauthorised means of communication. Such instances will be treated as Malpractice.

3 Centre Arrangements

Centres are responsible for letting candidates know when examinations will start, and for telling them about any changes to the printed timetable. Centre arrangements must fully comply with all Regulations including those for the **KEY TIME**.

4 Where there is more than one paper in a single session

4.1 If a candidate is entered for two papers which are timetabled for the same examination session, they may have a short fully supervised break between the two papers. The Regulations regarding the **KEY TIME** must be followed and the candidate must be under Full Centre Supervision during this break.

4.2 If a candidate has to sit two papers in one session, the second question paper must NOT be given out until the time allocated to the first question paper has elapsed and the scripts for the first paper have been collected.

This rule applies unless the rubric of either of the question papers gives a different instruction.

5 Time Allowance for Question Papers

Any time specially allocated for candidates to read through question papers and to study maps, etc., is already **included** in the total time allowance shown in the timetable. You must not allow any additional time.

6 IGCSE Art and Design 0400 Papers 1 and 2, GCE AS & A Level Art and Design 9704 Paper 1.

Electronic copies of IGCSE 0400 papers 1 and 2 will be uploaded to the Teacher Support Website and CIE Direct in the 'My messages' area on 1 January 2011. In addition, hard copies will be sent to Centres once provisional and final entries have been processed. All candidates must have exactly eight weeks preparation time.

Copies of GCE AS & A Level Art & Design 9704 Paper 1 are to be given to candidates on receipt.

7 Timetable clashes

If a candidate is entered for two papers that are timetabled for the same session, the rules to be applied depend on the total duration of the two papers.

If the total duration is 3 hours and 45 minutes or less: both papers should be taken in the same session with a supervised break between the papers. Regulations regarding the **KEY TIME** must be observed in full. You do not need to notify Cambridge about this.

If the total duration is more than 3 hours and 45 minutes: you must submit a Timetable Deviation Form 9 (INT/E24) to Cambridge. Cambridge will only consider applications to move a paper to the following day if the total duration of all the papers to be taken on that day exceeds 6 hours.

Please note that whenever there is an approved timetable deviation, candidates taking an examination at a time that is not the scheduled session, must be kept isolated from candidates who have already taken the paper, and must be under Full Centre Supervision from the **KEY TIME** for the examination until the time they actually take the examination.

If Cambridge is unable to confirm that candidates have been kept under Full Centre Supervision from the **KEY TIME** for the examination until the rescheduled examination time then Cambridge may be unable to accept the candidates' work.

For further information about timetable clashes, please refer to the appropriate section of the Handbook for Centres 2012.

8 Practical Tests in Science and Food & Nutrition

8.1 All practical papers must be taken in the sessions shown on the FINAL timetable.

8.2 If there are more candidates than there is space for in one sitting, the Invigilator may hold the test in two sittings, as long as satisfactory arrangements are made to ensure the integrity of the Examination, including full compliance with Regulations regarding the **KEY TIME**. Arrangements must be made to ensure that there is no communication by any means between candidates who have taken the test in the first sitting and those who are scheduled to take it in the second sitting, either at the Centre or at any other Centre.
